# your time, your way

## **STRENGTH & TONING**

**Sun Up:** Meet early Friday mornings at the Group Cycling bikes for a 30 minute ride followed by 30 minutes of BodyPump in the large Group Exercise room.

**Kick, Burn & Build:** 60-minutes of kickboxing, muscle toning and cardio all mixed in one.

Les Mills BodyPump: The original barbell class that strengthens & tones your entire body. This workout challenges all of your major muscle groups by using your choice of weight, great music, & instructors!

**Fun & Fit:** This class is designed for exercisers age 50+, but is also a great place to start for any beginner. The workout will offer a variety of activities that will help improve quality of life & an atmosphere that will re-energize.

**Rock Bottom:** This lower body workout will incorporate a variety of equipment to help tone & strengthen the muscles of the hips, abs, & thigh areas of the body. It is an ideal workout for those who want to work on traditionally problematic areas.

**Tone "UP":** A complimentary class to Rock Bottom, this toning workout will take you through various upper body exercises using a variety of equipment followed by abdominal exercises & stretching.

**A,B,C'S:** (Abs, Buns, Cardio & Sculpting) 40 -minute low impact workout using a variety of moves to strengthen and tone the entire body while enhancing cardio fitness.

## **STEP & DANCE FITNESS**

**Target Zone:** This fun, high energy step class will keep you wanting more! Weights & a variety of equipment may be used to achieve a full body workout!

**Step it Up:** A step class for the beginner to intermediate participant looking for a challenging workout. Class includes step & may incorporate toning for an efficient & fun workout!

**Step Fusion:** The ultimate cardiovascular workout for the exerciser who wants some serious calorie-burning. A variety of aerobic formats, from step, to Zumba, to kickboxing, make this intermediate/advanced class

action packed!

**POUND®:** A full body cardio jam session, combining light resistance with contanst simulated drumming using ripstiks.

**Zumba®:** A fun, different & effective aerobic dance workout infusing Latin rhythms & easy to follow moves.

**Zumba® Gold:** A slower paced aerobic dance workout infusing Latin rhythms & easy to follow moves.

Zumba® for Families: Bring the kids!

## **CYCLING CLASSES**

Les Mills RPM<sup>™</sup>: Ride to the rhythm of powerful music as you enjoy the calorie burning benefits of interval training. Take on the terrain of hills, flats, & mountain peaks, all while sweating & burning to reach your endorphin high is this fun class.

**Group Cycling:** Enjoy this fun, "freestyle" cycling class lead by motivating music & instructors.

**EPIC Cycling:** An interactive cycling class created for people with special needs who have endless possibilities. \**Please contact membership for scholarship opportunities*.

**POWER Cycling:** One full hour of hills, sprints and intervals all mixed together to get the heart pumping!

## **YOGA & PILATES**

**Gentle Yoga:** 45-minute class of basic yoga poses. Provides beginners an excellent introduction where they can learn to focus on breathing and alignment, while allowing more advanced students to focus on the foundations of their practice. Modifications are provided.

**Yoga Flow:** This Vinyasa style class is a great way to get the body moving, release toxins & calm the mind. Joining physical postures, or asanas, with inhales & exhales, creates a steady internal rhythm; building heat, endurance, flexibility, strength & focus.

**Sport Yoga:** 45-minute class that focuses on balancing the mind and body while strengthening and stretching muscles, working on mobility, and improving range of motion. Verbal cues will be used to reinforce proper alignment, making the class an excellent choice for any level.

**Intro to Yoga:** 45-minute class that offers the beginning level opportunity for those who want to learn the basics and prepare for more advanced classes.

## **AQUATICS CLASSES**

**Water Aerobics:** 40-minute, shallow water class designed to obtain a great cardio workout along with strength training through the resistance of water and aqua fitness accessories.
