North Dakota youth employment laws apply to teens ages 14 and 15. The laws establish a minimum age of 14 to be employed, restrict the hours that can be worked, prohibit work deemed to be hazardous, and require the completion and filing of an Employment and Age Certificate. In addition, federal youth employment laws further limit the types of work that can be performed by teens 14 and 15, and extend restrictions regarding work in hazardous occupations to teens ages 16 and 17.

A summary of state and federal youth employment laws can be found in the North Dakota Department of Labor and Human Rights' brochure, *Youth Employment in North Dakota*. The full text of North Dakota's youth employment laws can be found in N.D.C.C. ch. 34-07.
