Dear Foundation Donors and Supporters,

The Grand Forks Parks and Recreation Foundation was honored to be able to enhance health and happiness within our community this past year.

We were thrilled to have celebrated our 5-Year Anniversary of Choice Health & Fitness opening. Choice Health & Fitness and the Grand Forks Park District celebrated the 5th Anniversary Event on Monday, September 25, 2017, with themed-fitness classes, giveaways, a free throw contest, and a lobby full of fun. With the support of our strong partnerships and the unyielding commitment of our generous IMAGINE Campaign donors, Choice Health & Fitness is honored to serve our loyal members, visitors, and the Grand Forks region.

After years of envisioning a relocation to Kannowski Park, the New Skatepark Project was launched forward in 2017 with a large contribution in funds raised through the 12th Annual Rydell Car & Bike Show, a total amount of \$100,538! Along with the Rydell Car & Bike Show's donation, a Myra Foundation Grant and a few other significant grants awarded to the Grand Forks Park District, the project was pushed into Phase One.

In 2017, we finished two additional fields, allowing our youth players to use four additional fields for practice and games last summer. With the concession stand, much-needed restrooms, and the batting cages completed in Fall of 2017 by the staff of ICON Architectural Group, we look forward to using the complex facility this upcoming youth baseball / softball season!

It was a successful year for the Grand Forks Veterans Memorial Park campaign, with over \$200,000 raised and 131 Memorial Stones sold. With continued support from the Red River Valley Motorcyclists; EAPC Architects Engineers in the final stages of design work; Opp Construction ready to begin general contract work; and Gary Shields volunteering to be the Development Officer leading the development and public awareness of the project, we anticipate even more advancements to be made in 2018.

With your continued support in 2018, we will continue to promote healthy lifestyles through amazing facilities and great programs that enhance the quality of life.

Much appreciation,

Paul Barta

CHOICE HEALTH & FITNESS

Choice Health & Fitness celebrated 5 years of being open, 10 years in the making!

Choice Health & Fitness and the Grand Forks Park District hosted a 5th Anniversary Celebration on Monday, September 25, 2017. With themed-fitness classes, giveaways, a free throw contest, and a lobby full of fun, including refreshments, archive videos, and information on our facility partners, the day of appreciation was well received by the community! Choice Health & Fitness also hosted a week-long celebration, September 25 - 29, for our members with five days of prize giveaways, discounted guest fees, fitness challenges, social media contests, cooking demos, deli discounts, and more.

The positive feedback we have received from the community over the last five years has been overwhelming. With the support of our strong partnerships and the unyielding commitment of our generous IMAGINE Campaign donors, Choice Health & Fitness are honored to serve our loyal members, visitors, and the Grand Forks region.

NEW SKATEPARK PROJECT

A RELOCATION & UPDATE CAMPAIGN FOR A PERMANENT SKATEPARK AT KANNOWSKI PARK

Getting the Wheels Rolling

The wheels are beginning to roll on the Skatepark Project in Grand Forks. In seeing a need to provide skaters of all ages with a safe place to gather, together the Skatepark Committee and the Grand Forks Parks and Rec Foundation created a vision for change many years ago.

As Phase 1 of the project gets underway, involving the relocation of features of the old skatepark, located down town next to the Police Station, to the new location at Kannowski Park, the park is beginning to take shape. Features from the previous location including the Tri-Tiered Manual Pad, Grind Ledge, and HSS Grind Rail have been moved and will be incorporated into the new park's design. In addition to the relocated sections of the park, the new skatepark will have eighteen new features of varying structures, levels, and obstacles. The main feature of the park consists of a large Radius Bowl, complete with walls and features surrounding it.

In 2017, strides have been taken to make this dream a reality, with a huge contribution in funds raised through the 12th Annual Rydell Car & Bike Show. The total amount raised from the event was \$100,538.44! The Rydell Car & Bike Show's earning, so generously pledged to be donated to the Skatepark, will launch this project into Phase One. We also were the recipient of a \$5,000 grant for the project awarded by the Myra Foundation in 2017. With these funds in place, the skatepark will provide a safe environment for children of all ages, and their families, a place to be active and pursue skating as a sport.

Needless to say, the Grand Forks Park District is elated to add this sport specific park to the list of great parks already in the community. Not only do skateparks provide communities with many benefits, including reducing illicit behavior and many physical and mental health benefits, they also aid in stimulating economic growth in the community; which is why there was a clear need for the park's overhaul and update. With new ramps, pipes, walls, bowls, transitions, and extensions the new skatepark will be a skater's paradise.

If you would like to get involved, naming rights are still available for many of the park's features. Visit us online at gfparksfoundation.org to find out more.

GIVING HEARTS DAY

**24-hour online fundraiser by
Dakota Medical Foundation
February 9, 2017**

On February 9, 2017, many of you participated in Dakota Medical Foundation's (DMF) annual Giving Hearts Day, a one-day, online fundraising event. We want to thank you for your donations.

In 2017, we teamed up with the Grand Forks Education Foundation to co-promote our causes. You might remember receiving a postcard in the mail with the little red school bus and pool passes for kids on it. This effort was made to stretch our donation dollars to the fullest and try to save costs in an effort to increase proceeds.

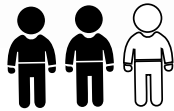

With the 83 individual online donations we received during the 24-hour on-line fundraising event; the generous matches of \$500 from the Blue Line Club and \$3,500 match from CPS, Ltd., we were able to raise \$6,288.50 for local youth. We are so very thankful to everyone who made this possible.

YOUTH RECREATION SCHOLARSHIPS

Healthy & Active Kids

1-IN-3 LOCAL KIDS IS OVERWEIGHT.

WE CAN CHANGE THIS.

Let's get Grand Forks children active & fight childhood obesity together!

The Grand Forks Parks & Recreation Foundation is fighting to end childhood obesity in Grand Forks, North Dakota by getting kids active!

By donating to our Foundation youth recreation activity scholarship fund, you are giving a child in need the opportunity to get active and live a healthier life! Because of the generous donations received in 2017, we were able to grant over 238 youth activity scholarships to well-deserving children in low-income families!

Grand Slam

SCHEELS SPORTS COMPLEX

From the funds raised, we completed the two additional diamonds in Summer 2017, with a total of four diamonds now at the Scheels Sports Complex. With four diamonds at Scheels Sports Complex now available, our players knocked the 2017 youth baseball / softball season out of the park- including the hosting of the Cal Ripkin State Tournament at Scheels Sports Complex in July 2017. This success is due to the dedicated vision of the Building Fields of Dreams Campaign.

The staff of ICON Architectural Group have been working hard in 2017 on finishing the complex main building. The concessions, restrooms, and storage building is now completed and being set-up for the upcoming season. Players and families are all looking forward to using this beautiful building in the 2018 baseball / softball season!

If you have interest in getting more involved, finding more about our naming sponsorship opportunities that are available, or would just like to help make sure we are able to complete the project as planned, please contact us. As funds become available, we plan to add field lights and more amenities to this destination baseball / softball complex.

VETERANS MEMORIAL PARK

*Honoring
our Veterans*

It was a successful year for the campaign project, with significant advancements made. The results of the geotechnical survey, to determine the need for excavation and infilling to insure the stability of the memorial wall, were received. While some issues were cited, all were correctable. EAPC Architects Engineers were in the final stages of design work and Opp Construction agreed to be general contractor on the project.

The Grand Forks Veterans Memorial Park Committee received their 501C (3) status thanks to the hard work of Attorney Kirk Tingum, of Caldis, Tingum, and Tingum Ltd, and retired District Judge and Board of Directors member, Joel Medd.

Another significant advancement of the project was obtaining the services of Gary Shields, a professional fund raiser, who has volunteered his services. Gary's expertise has enabled us to reach out to more agencies and has raised the public's awareness of our project. He also oversaw the development of a website for the project: gfvetspark.org.

The Red River Valley Motorcyclists (RRVM) have become an outstanding supporter of the project, donating more than \$40,000, with more to come. Over \$200,000 has been raised for

THE CAMPAIGN

Through community philanthropy and the efforts of supporters, the campaign committee will design, execute, and conduct a fundraising campaign to raise the necessary dollars to create and build a Veterans Memorial Park, this six-acre site, located NW of the Columbia Mall and adjacent to the roundabout at 24th Ave. South and 34th Street, into existence. It will be an outdoor gathering place for veterans, military members, families and the community to celebrate, recognize, remember, and honor the lives of those who are serving or have served in the U.S. Military.

2018 BEST TIPS OF THE YEAR!

DONATE TO AN ENDOWMENT

make a lifetime lasting impact

40% ND State Tax Credit

North Dakota is one of the few states that offer charitable tax credits. State residents and businesses may qualify for a 40% tax credit on a Grand Forks Parks & Rec Foundation Endowment of \$5,000 or more, with a possible excess credit carryover of 3 years.

Federal Tax Deductions

Your cash gift may qualify for up to a 50% deduction of your adjusted gross income with a possible carryover, applied within five years.

HOW IT WORKS

As an example, let's say you are in a 28% federal tax bracket, the ND Tax Credit on charitable gifts you could receive might look like this:

ENDOWMENT GIFT TAX CREDIT EXAMPLES

CASH GIFT 	FEDERAL TAX DEDUCTION { 28% TAX BRACKET } 	ND STATE INCOME TAX CREDIT 	TAX SAVINGS! 
\$5,000	(\$1,400)	(\$2,000)	\$3,400
\$25,000	(\$7,000)	(\$10,000)	\$17,000
\$50,000	(\$14,000)	(\$20,000)	\$34,000

DONATE TO A CAUSE

put a big smile on a little face

Through your donations, we provide financial assistance to low-income families within recreation programs and raise private funds to build new life-enriching facilities for the community. Please consider making a tax-deductible donation to one of these projects in 2018!
