Dear Foundation Donors and Supporters,

While 2020 was a very difficult year due to COVID-19, we also had many things to be grateful for - thanks to all our generous donors and visionary supporters. Although many of our large facilities and programs were put on a brief hold in response to protecting public health, the Park District and our Foundation found ways to enhance lives through our parks, and by restructuring our operations, we were able to reopen providing positive community amenities during a time of difficulty.

Of all the facilities owned by the Park District, Choice Health & Fitness was most significantly impacted by the COVID-19 pandemic due to the temporary facility closure, membership cancellations, and program/event cancellations. While staff were able to reduce expenses, lost revenue surpassed those savings in most departments. Although it was a difficult year, some positive outcomes did occur such as an increased member engagement through our website and social media; a variety of online classes and outdoor classes to provide additional exercise options; the unveiling of our new Choice Health & Fitness app; an ability to focus on deep facility cleaning and maintenance repair; and the installation of the UND Athletics scoreboard in the tennis area.

ICON Sports Center continued to provide year-round ice for our community by renting 2,825 hours of ice time during the 2020/2021 season, despite the temporary hold put on youth sporting activities. One amazing outcome of 2020 was the construction of the Chad Johnson Memorial Shooting Room located at ICON Sports Center. With four shooting lanes with synthetic ice, youth hockey players can shoot with their skates on or off, with pucks and passers provided. Located on the first floor of ICON Sports Center, the Chad Johnson Memorial Shooting Room now provides our local youth hockey players the ability to practice their shooting skills off the ice, free of charge.

The Grand Forks Veterans Memorial Park committee also made advancements in 2020, despite the cancelation of their dedication event due to the pandemic. During the year they were able to place and light the service obelisks & memorial wall; complete the construction of the visitor center and donor wall; and install the sidewalks, irrigation system, and shelter picnic tables. They also placed 612 memorial stones and sold 305 memorial stones in 2020.

Some great things to look forward to in 2021 include the construction of Phase 2 of the Rydell Skatepark at Kannowski Park; the completion of the Veteran's Memorial Park with a Dedication Event on September 11, 2021; and the possible groundbreaking of the Northern Valley Law Enforcement Memorial located at Optimist Park. As always, thank you for another great year of helping us promote healthy lifestyles through amazing facilities and great programs that enhance the quality of life for our Grand Forks community.

Much gratitude,

Terry Dvorak

KRAFT FIELD»» RENOVATION

THE CAMPAIGN »»»

Through community philanthropy, with the support of local businesses, families, fans, and community advocates, the campaign committee led by the Grand Forks Area Youth Baseball Association plans to renovate and renew the iconic Kraft Memorial Field.

THIS \$2.5 MILLION PROJECT WILL FEATURE IMPROVEMENTS SUCH AS:

- Rebuilding of the Grandstand with New Spectator Seating & Enclosure
- Infield Turf Replacement & Outfield Turf Installation
- Installation of Energy-Efficient LED Field Lights
- Updating Concession Area & Public Restrooms
- Repair of Outfield Fencing
- Remodeling of the Bullpens, Dugouts, & Batting Cages
- Field Turf Installation of Diamond #4 at Apollo Sports Complex

THE NEED | Once a showpiece for baseball in Grand Forks, Kraft Memorial Field has seen the wear and tear of many years of use and needs a variety of renovations. The facility's iconic grandstand requires general repair and upkeep, new molding, and a shaded covering to create a comfortable and safe area for spectators to enjoy games. The updating of the concession area and public restrooms will also be crucial to enhancing the fan experience and increasing traffic to the ballpark.

Kraft Memorial Field's playing surface is also in need of several renovations to make it a suitable facility for all levels of play. The current infield turf has reached the end of its lifecycle and requires replacement and the outfield needs the installation of turf and a drainage system. Having a full turf playing surface with outfield drainage will increase the number of games played at Kraft Field by speeding-up field drying time, allowing the baseball season to start earlier, and preventing in-season rainouts.

THE BENEFIT | Not only will this renovation allow the baseball season to start earlier and increase the number of games played overall, resulting in a greater financial impact in the Greater Grand Forks during tournament play, but it will also demonstrate our investment in Babe Ruth Baseball, Cal Ripken Baseball, High School Baseball, UND Club Teams, and American Legion Baseball as an integral part of our community and region. It is time to meet the growing demands of these sports.

Chad Johnson MEMORIAL SHOOTING ROOM

One amazing outcome of 2020 was the construction of the Chad Johnson Memorial Shooting Room. Through the generous donations from the Chad Johnson Memorial Fund, Joe K. Neel Jr. Memorial Fund, Proseed, Blue Line Club, and the Grand Forks Youth Hockey Association, this wonderful project began in Fall 2019 and finished in Spring 2020.

With four shooting lanes with synthetic ice, youth hockey players can shoot with their skates on or off, with pucks and passers provided. Located on the first floor of ICON Sports Center, the Chad Johnson Memorial Shooting Room now provides our local youth hockey players the ability to practice their shooting skills off the ice, free of charge!

CHAD JOHNSON (1970 - 2013)

Chad grew up playing hockey on the outdoor rink of Elks Park in Grand Forks, ND. Throughout his childhood, Chad participated in Grand Forks youth hockey and was also a hockey player for Central High School. In 1988, he went on to play in the Saskatchewan Junior League and for the Rochester Mustangs of the USHL.

From 1990 to 1993, Chad attended the University of North Dakota and played for the Fighting Sioux, until he was drafted in the 6th round by the New Jersey Devils. For the next four years, he played professional hockey with Quad Cities and Fort Worth. After spending three seasons as assistant hockey coach of the Lincoln Stars of the USHL, he found a love of coaching hockey players. Chad spent the next 10 years as a head coach in the North American Hockey League, two years as assistant coach with the Fargo Force, and four years as head coach of the Lincoln Stars, until passing away in 2013. Chad is survived by his son Jack, who inherited his Dad's love for hockey and currently plays with the Fargo Youth Hockey Association.

INSPIRING HEALTH & HAPPINESS

CHOICE HEALTH & FITNESS

2020 HIGHLIGHTS AT CHOICE HEALTH & FITNESS

Of all the facilities owned by the Park District, Choice Health & Fitness was most significantly impacted by the COVID-19 pandemic due to the temporary facility closure, membership cancellations, and program/event cancellations. While staff were able to reduce expenses, lost revenue surpassed those savings in most departments.

ALTHOUGH IT WAS A DIFFICULT YEAR, SOME POSITIVE OUTCOMES DID OCCUR IN 2020, SUCH AS:

- During the 10 weeks (mid-March – May) the facility was forced to close, staff completed our annual facility cleaning and maintenance procedures that would normally be done in August. This included thoroughly cleaning the facility as well as various building and equipment repairs.
- Staff effectively engaged members through our website and social media. Choice offered a variety of online classes and outdoor classes to provide additional exercise options to our members and the community.
- Staff implemented our new Member Services Portal for online payments and program registration. Our Choice Health & Fitness app was unveiled in the spring.
- Choice Health & Fitness renewed our contract with Grand Forks Public Schools to plan and execute their high school strength and conditioning program through the 2020-21 school year.
- Numerous trees were planted around Choice Health & Fitness as the result of a donation to the Park District.
- UND Athletics installed a Daktronics scoreboard in the tennis area. Installation was completed while the facility was closed during the pandemic.

2020 EVENTS HOSTED BY OR AT CHOICE HEALTH & FITNESS

- USTA Happy Joe's Open Tennis Tournament - Choice Health & Fitness
- Polar Plunge - Special Olympics
- Sand Volleyball League - Choice Health & Fitness
- ND H.S. Boy's State Tennis Tournament - GF Public Schools & NDHSA
- UND Men's/Women's Tennis home matches - UND Athletics & Big Sky Conf.
- UMC Women's Tennis matches - UMC Athletics & Northern Sun Conf.

BUILDING FIELDS OF DREAMS

The Building Fields of Dreams campaign has ended but the impact left from this amazing new complex continues to positively impact our community. Over the past few years, the Grand Forks Area Youth Baseball Association filled the fields of Scheels Sports Complex Mondays through Thursdays with Cal Ripken Baseball 9 and 10 year old and Cal Ripken Baseball 11 and 12 year-old league games during the summer. However, due to the pandemic, organized youth sporting activities dramatically decreased in 2020.

Fortunately, Scheels Sports Complex was able to host traveling Cal Ripken teams for practice and games in 2020, and Park District Girls Softball program was moved out to Scheels Sports Complex. This change of location has provided girls softball with their own complex for daytime fastpitch softball, instead of having to combine their practices with the Park District Boys Baseball program at Apollo Sports Complex.

PHASE 2 » RYDELL SKATEPARK

FUND RAISING FOR PHASE 2

In 2020, the Skatepark Committee and the Park District have been working on raising the funds needed to construct and complete Phase 2 of the Rydell Skatepark, located at Kannowski Park.

Through grant funding and other opportunities, we have been able to raise the \$350,000 needed to add the second half of the skatepark. Skate Park Phase 2 construct is scheduled to start the week of May 3 – 7, 2021, with an estimated 6-week construction timeline to complete. Total project cost the entire skatepark when completed will be roughly \$800,000.
