FORESTRY DEPARTMENT

QUESTIONS ABOUT BERM TREES OR TREE CARE?

The Grand Forks Park District Forestry Department offers consulting services regarding care of trees and shrubs located on private property.

CONTACT US: (701) 746-2750

DEFENDERS OF THE TREES

The Forestry Department has had jurisdiction over the planting and maintenance of all berm trees in Grand Forks since 1917. The forestry crew maintains over 31,000 berm trees and over 6,000 trees in our parks and golf courses. Forestry is also responsible for removing old, hazardous, and diseased berm trees. Grand Forks is the longest running Tree City USA in North Dakota and celebrates an annual Arbor Day event. (See page 17 for details)

The Forestry Department offers consulting to homeowners regarding care of trees and shrubs located on private property. The department responds to over 800 calls a year from homeowners requesting a wide range of treatments to be administered to berm trees.

TREE CARE

EMERALD ASH BORER

The Emerald Ash Borer (EAB), is a woodboring beetle native to eastern Asia, and it is believed that the beetle was unintentionally brought to US in infested ash crates or pallets. The most recent findings have been in Winnipeg, MB in 2017, Sioux Falls, SD in 2018 and Sauk Centre, MN in 2019. For more information regarding tree care and what you can do to prevent Emerald Ash Borer in your city, visit the Forestry page on gfparks.org.

DUTCH ELM DISEASE

The first case of Dutch Elm Disease in Grand Forks was in 1979. At that time there were 11,800 elms in Grand Forks. Today, due to the efforts of our Dutch Elm Disease Program, 3,000 of those elms still remain.

PROJECTS IN THE WORKS

SCHOLARSHIPS FOR KIDS

Did you know 1 in 3 ND children are overweight/obese? We are fighting to end childhood obesity in Grand Forks youth by getting our kids active. By offering half or full scholarships to low-income qualifying families, we help all children stay active, regardless of their financial restraints.

By donating to the Grand Forks Parks & Rec Foundation youth activity scholarship fund, you are giving a child in need the opportunity to get active and live a healthier life!

VETERANS MEMORIAL PARK

Through the campaign efforts of veterans, military members, local families, friends, and supporters over the last 10+ years, the dream to build a Veterans Memorial Park has come true! With construction finished over the summer of 2021, the park was dedicated on September 11, 2021. If you would like to honor our local veterans and support this project, contact us.

LAW ENFORCEMENT MEMORIAL

@ OPTIMIST PARK

A campaign to build a memorial at Optimist Park honoring the brave, local men and women who gave their lives in the line of duty to protect us.

Through community philanthropy, the Northern Valley Law Enforcement Memorial steering committee is working to raise \$400,000 needed to build a memorial in honor of the brave Northern Valley law enforcement officers who have given their lives in the line of duty. With your help the steering committee hopes to break ground this summer.

Learn more, visit gfparksfoundation.org.

RENOVATION OF EAGLES/BLUE LINE CLUB ARENA

Through community philanthropy, we plan to renovate the current Eagles & Blue Line Club Arenas over the next few summers. When completed, the facility will seat over 500 spectators and have many upgraded amenities such as multiple viewing decks, noise reduction features, larger concession area, updated locker rooms, a remodeled exterior, and much more. For more information, visit gfparksfoundation.org.

To be a part of this project, please contact us.

RENOVATION OF KRAFT FIELD

Over the next few years, we hope to renovate and renew the iconic youth baseball stadium, Kraft Memorial Field, to its original condition. This much-needed renovation will allow the baseball season to start earlier and increase the number of games played overall, resulting in a greater financial impact in the Greater Grand Forks community during tournament play. To be a part of this project, please contact us.
