

Just for Fun Information

Dear Parent/Guardians,

Below are a few guidelines to follow before coming to the sites. The health and safety of the kids and staff remain our highest priority.

GUIDELINES FOR JUST FOR FUN PARTICIPANTS

1. Staying home when appropriate.
Anyone who is sick/not feeling well or has been in contact with someone who has COVID-19 – including JFF participants or family and friends, should not attend. Be on the lookout for symptoms of COVID-19, which include fever, cough, or shortness of breath. Call your doctor if you think you or a family member is sick.
2. Cover coughs and sneezes.
3. Wash hands often. Restrooms will be open for your use. Bring your own hand sanitizer if you like.
4. Limit the sharing of equipment. We will disinfect our Park District equipment regularly and have purchased extra equipment to discourage sharing.
5. Community drinking fountains are turned on, but we encourage participants to bring their own water bottle daily.
6. Spread out! We will have kids spread out as best as possible and keep your social distance when possible.
7. No unnecessary physical contact, such as high fives, handshakes, fist bumps or hugs.
